### WILL ACCEPT COTTON FOR CURRENCY

Secretary McAdoo Will Accept Well  
Guarded Warehouse Receipts  
at 70 Per Cent.

(By Associated Press.)  
Washington, Aug. 25.—Secretary  
McAdoo emphatically disapproved  
proposals for valuation of the crops dur-  
ing the European war, made by the  
cotton and tobacco growers. He de-  
clared any issue of currency by a  
State bank was "utterly unnecessary."  
The Secretary offered to accept safe-  
guarded cotton warehouse receipts as  
70 per cent security for emergency  
currency.

#### REQUIRED BUT \$100 BOND.

The examining trial of Elijah Rah-  
som, colored, charged with killing Asa  
Johnson, also colored, on Main street  
last week, and with carrying a pistol,  
was held in the justice court this  
morning. He was given \$100 bond on  
the charge of killing and \$200 bond  
on the charge of carrying a pistol, to  
await the action of the grand jury,  
which meets next week. Ransom  
made bond and was released from  
custody.

### A. & M. DIRECTORS MEET IN DALLAS

Object is to Elect a President—Dean  
Purveyor Forecasted  
to Get It.

(By Associated Press.)  
Dallas, Tex., Aug. 25.—The A. & M.  
College directors met here today to  
elect a president. According to sev-  
eral, Dr. Charles Puryear, acting pres-  
ident, is likely to be chosen. Chair-  
man Cushing of the board said so far  
the directors had only discussed mat-  
ters of policy and made no announce-  
ment.

#### EXCELLENT NATIVE GRAPE JUICE

The editor was favored by Mrs. P.  
H. Dawson with a bottle of delicious  
grape juice of her own making. In  
taste it is perfect, in fact superior to  
any brand we ever tried before. We  
feel sure it would receive Hon. W. J.  
Bryan's O. K. if he could but sample  
it. It is made of the native mustang  
grape, but in the process of making,  
in which Mrs. Dawson is an expert, all  
the rough taste of the grape is elimi-  
nated, and a more refined flavor, or  
more delicate beverage we have never  
had the pleasure of enjoying.

### GERMAN ARMY LOOKING TOWARD FRENCH CAPITAL

In Succession of Decided Victories She Is  
Thought to be Looking Toward Paris.  
French Capital Nervous Over Prospect and  
the German Victories Cause the Gravest  
Concern Throughout England—The London  
Express Looks for a March on Paris—Ger-  
man Airship Dropped Bombs on Antwerp,  
but Was Brought Down by Belgians—Namur  
Has Fallen Into Hands of Germans and a  
Fierce Battle Rages at Ostend.

(By Associated Press.)  
London, Aug. 25.—It is officially an-  
nounced that Namur, thirty-four miles  
southeast of Brussels, has fallen. This  
news today caused the gravest concern  
throughout England. Her fortifica-  
tions were examples of the finest mili-  
tary designing in Europe. The Lon-  
don press reflects the seriousness of  
the situation.

The Times says the fall of Namur  
in two days will require a deal of ex-  
planation and that the Belgians feel  
the allies have not given adequate  
support.

The Express says, "We may yet see  
before long the Germans march upon  
Paris."

An Ostend dispatch says 30,000 Ger-  
mans are attacking Malines, thirteen  
miles southeast of Brussels.

A great battle was in progress Fri-  
day in the Province of Hainaut on the  
Belgian southern frontier.

Fighting has begun throughout Fland-  
ers.

Liege refugees say the soldiers in-  
scribed on the city walls, "William II,  
Emperor of Europe."

An Antwerp dispatch says the Bel-  
gian artillery brought down a Zepp-  
elin airship which flew over Antwerp  
last night, and fifteen Germans cap-  
tured. The airship previously had  
dropped seven bombs into Antwerp.  
One house that was wrecked was only  
300 yards from King Albert's palace.  
Seven persons were killed and six  
seriously injured. One bomb partially  
wrecked the Hospital St. Elizabeth,  
which flew a Red Cross flag. This  
caused great indignation, though for-  
tunately no patients were in the build-  
ing.

The English and French newspapers  
generally admit reverses to the allies.  
It is assumed the allies are retreating  
to the first line of defensive works  
running south from Maubeuge through  
the strong fortresses of Hirson, Ver-  
dun, Toul and Epinal. These are in-  
terpersed with smaller works, while  
behind them lies another strong line  
of fortifications from St. Quentin  
through Reims to the great entrench-  
ed camp at Chalons.

Confirm Fall of Namur.  
(By Associated Press.)  
Berlin, Aug. 25.—(By Wireless to  
Associated Press.)—The city of Na-  
mur and five forts were captured by  
the Germans. The bombardment of  
four other forts continues.

#### INSURANCE FEATURE OF WAREHOUSE BILL

(By Associated Press.)  
Austin, Tex., Aug. 25.—Members of  
the State Insurance Commission de-  
clare they will insist on having a pro-  
vision inserted in the proposed bonded  
warehouse law to be considered by the  
special session of the Legislature, re-  
quiring these warehouses to be insured  
in exclusively authorized or licensed  
fire insurance companies. This is to  
be for the benefit of those storing cot-  
ton or other products in the ware-  
houses. The commission asserts this  
will obviate many complaints received  
by them from persons who insured  
warehouse contents in companies not  
licensed to do business in Texas and  
have had consequent trouble collect-

Fortifications Destroyed.  
(By Associated Press.)  
Milan, Aug. 25.—A Cattaro dispatch  
says the allied fleet destroyed all the  
Cattaro fortifications before the Aus-  
trians had time to mine the harbor.  
The Austrian commander is reported  
parleying for surrender.

Austrians Forced Out of Servia.  
(By Associated Press.)  
Nish, Servia, Aug. 25.—It is official-  
ly announced that Servian territory  
has been cleaned of Austrians, who  
have been forced across the River  
Save. The Servians have reoccupied  
Sabac. It is claimed the retreating  
Austrians massacred the inhabitants.

Vessel Halted Near New York.  
(By Associated Press.)  
New York, Aug. 25.—Fire Island re-  
ports that a cruiser believed to be  
British stopped a steamer believed to  
be Austrian, just outside the harbor  
this morning. The cruiser later al-  
lowed the steamer to continue.

Fighting at Ostend.  
(By Associated Press.)  
London, Aug. 25.—Ostend dispatches  
report fierce fighting in the outskirts  
of that city.

Germans Capture Prisoners and Guns.  
(By Associated Press.)  
Washington, Aug. 25.—An official  
statement received by the German  
Embassy by wireless says the Ger-  
mans severely defeated the French  
from August 17 to 21, capturing 10,000  
prisoners and 150 guns.

Belgians Lost Heavily.  
(By Associated Press.)  
The Hague, Aug. 25.—It is estimated  
the Belgians so far have sustained a  
loss of 50,000 wounded and 16,000  
killed.

Germans Capture Luneville.  
(By Associated Press.)  
Washington, Aug. 25.—The Germans  
captured Luneville, breaking up the  
army of General Joffre, the French  
commander-in-chief, thus making it  
possible for the Germans to concen-  
trate for the advance toward Paris.

Paris Denies German Success.  
(By Associated Press.)  
Paris, Aug. 25.—It is officially an-  
nounced the allies are holding the Ger-  
man offensive movement in the north  
after surprising and driving back the  
German advance. It is denied the  
Germans recaptured Muelhausen.

ing for damage when fire resulted.  
Neither the Insurance Commission nor  
the Commissioner of Banking and In-  
surance have any control or super-  
vision over unlicensed companies or  
companies that have no permits to do  
business in Texas.

#### WHO OWNS THE BED OF RED RIVER?

(By Associated Press.)  
Oklahoma City, Okla., Aug. 25.—  
Land questions that possibly involve  
millions of dollars in oil and gas rights  
are not infrequent problems put up  
to State authorities for solution. One  
of the latest is whether the State, the  
Indians or the Federal government  
owns the bed of Red river. It was  
raised by a prospective investor who
